

## E-LEARNING COURSES

1. In the summer semester of academic year 2025/26 the following e-learning course, offered by Hasselt University, is available for students at University of Wrocław:

- **Introduction to Bayesian Inference**

Prerequisites:

- statistics (*Statystyka* or *Teoria statystyki* or *Statistics and linear models*)
- linear models (*Modele liniowe* or *Modele liniowe i planowanie doświadczeń* or *Statistics and linear models*)

2. E-learning courses are available **only** for students satisfying the above prerequisites.

3. In order to enroll students from University of Wrocław need:

- a) Preregister **by February 24<sup>th</sup> (Tuesday)** at [www.uhasselt.be/admission](http://www.uhasselt.be/admission) (details below). Preregistration is **required** to follow courses at Hasselt University.
- b) Register using **Formularz B3** (Wrocław) **by February 24<sup>th</sup> (Tuesday)**.
- c) Students will be granted access to the courses on the Blackboard system as soon as possible. Early preregistration will allow early access to the course.

4. Students can drop any e-learning course by **March 26<sup>th</sup> (Thursday)**. In order to drop the course students of Wrocław need **both**:

- a) Deregister at Hasselt University (details below).
- b) Deregister using **Formularz A3** at Wrocław University.

5. Every e-learning course has on-line consultation sessions (Question and Answer sessions), see [http://www.math.uni.wroc.pl/studia/plany\\_zajec/planL.php](http://www.math.uni.wroc.pl/studia/plany_zajec/planL.php). Attending the consultation sessions should be treated as **obligatory** for all the students enrolled in the course.

### Pre-registration at Hasselt:

Students register for the *master of statistic and data science* at the website:

[www.uhasselt.be/admission](http://www.uhasselt.be/admission)

Students need to do a minimal pre-registration and need to register for the academic year 2025-26 as an *interuniversity guest* and choose the programme *Interuniversity guest statistics (from abroad)*, fill out identity data (incl. address), secondary education (mark *Other* at *I obtained my secondary/high school diploma* and then fill out the data of the relevant institution) and then higher education (mark *Other* for *Region of education* and then fill out the current/last study); no uploads of documents are required. In case of any problems please contact: [leen.jorissen@uhasselt.be](mailto:leen.jorissen@uhasselt.be)

### De-registration at Hasselt:

In order to drop the course at Hasselt, students need to deregister for that course. The student selects at the UHasselt homepage *Student*, selects the *My academic file* application, selects in the left menu *My programme* followed by *Unsubscribe study programme or course unit*. Then a personalized pdf will be generated, listing all currently subscribed courses of the student at UHasselt. The student marks the course(s) for which he/she want to unsubscribe, signs the form and sends a scanned version of the form by email to [leen.jorissen@uhasselt.be](mailto:leen.jorissen@uhasselt.be)
